

Tiffany Nieves

Celebrity Wedding Planner, Designer, and Artist who transforms ordinary ideas into fabulous multi-dimensional events.

All the world is indeed a stage and Tiffany Nieves — a highly experienced and innovative professional business entrepreneur that is the pivotal person, creative catalyst, and personal mentor who turns good ideas into grand weddings and events.

Her extensive background in the corporate and celebrity event arena, coupled with her background in entertainment, music touring & management, lighting, set design, and concert production for such artists as Michael Jackson, Boyz II Men, Brittany Spears, C&C Music Factory exemplifies her background and integrated approach to her wedding planning and events.

She is far more than your average wedding planner or "behind the scenes person," Tiffany is conceptually and organizationally everywhere at all times. Because the central focus of the projects she is sought after to provide is her multi-dimensional concepts and her hands-on-at-all-times style, Tiffany becomes totally interdependent with the the people for whom she is the principal support person.

And for Tiffany, it's all about making a difference, concept, design, and implementation. As her results-oriented and innovative work in wedding planning, and corporate event production clearly demonstrates, she becomes fully engaged in every facet of the "event". Like an orchestra leader or stage director, she embodies the dynamism and interdependence that is at the core of the artistic process. Tiffany has planned and designed major productions for corporations such as West Indies & Grey Advertising, Moet Chandon, Mercedes Benz, Coors Light Beer, Proctor and Gamble, High Impact Advertising, to mention a few. Additionally, partnering with Nintendo to produce a live stage version of the children's show Pokemon, which toured successfully in Continental Europe. It goes without saying that Fortune 500 clients like these, along with kudos from her venues, brides, and families are some of the best testimony to her abilities and dedication.

In her current professional life, she is the CEO and driving creative force behind [Dream Design Weddings](#); a top-of-the-line full service wedding planning and design company. Tiffany is leading the way in this highly specialized market with her personal touch in planning and the design of luxurious weddings.

It is this excellence in her field that has earned her the "Best Of" Wedding Planner for South Florida by the Knot Magazine, the industries leading wedding publication for 2007, 2008, 2009, and 2010. The only South Florida planner to win four consecutive years. Additionally honored by Grace Ormond Wedding Style Magazine's Platinum List for South Florida wedding planner from 2006 to present.

Tiffany is a regular on the hit TV series "Platinum Weddings" one of the only planners to air on every season with multiple episodes. Her episodes are among the highest rated for the show. She has been featured in the Wall Street Journal, Miami Herald, Sun Sentinel, The Knot Magazine, Modern Bride, and Wedding Style magazines. Tiffany currently writes a popular regular column "Breakfast with Tiffany" for Enchanted Bride magazine.

Tiffany's artistic and creative vision is "the stuff dreams are made of." However, it's through her impeccable planning, superior organizational skills, team of professionals, and constant commitment to the ideals of her art the allow her to execute these visions. Tiffany incorporates consulting, design, high-end technology, and the most expressive state-of-the-art techniques, transforming dreams into realities that make a difference.

After all, with a name like Tiffany how could you expect less....?
